

St. Mark's Church, Holbrook, Eco Church News 10.5.19

Following St Mark's Silver Eco Church Award in 2018 we are working towards a Gold Eco Church Award, there are several ways you could get involved:

- Help build a large bug hotel for the church garden and gather things for children to use to fill in the spaces
- Are you involved or interested in getting involved with any conservation work or community clean-up projects?
- Would you like to find out more or share your experience of using Bokashi Bins to compost food waste at home?
- Join St Mark's Eco Team and help us take further steps to care for God's earth.
- Watch BBC One Climate Change – The Facts – this Sir David Attenborough programme is online until 16th May - the science of climate change and potential solutions to this global threat, explores recent extreme weather conditions and reveals what dangerous levels of climate change could mean for both human populations and the natural world in the future.
